NED Academy GPT Master Knowledge Base

Version 1.1 | Custom GPT Knowledge Upload File

Prepared for: NED Academy Digital Assistant / Custom GPT

Verified core public pages: 2026-07-07

Purpose: stable, official-style knowledge for accurate student, public, and corporate inquiry handling.

File	Use in Custom GPT
This Master Knowledge Base	Upload as the main stable knowledge source. It contains evergreen facts, policies, routing rules, sources, and GPT retrieval notes.
NED_Academy_FAQ_Master_v1.1.csv	Upload as structured Q&A knowledge. Useful for common student questions and Roman Urdu/English prompts.
NED_Academy_GPT_Builder_Instructions_v1.txt	Paste into the GPT Builder Instructions box. Do not upload only as knowledge; paste as behaviour instructions.

Source control and freshness rules

- Primary uploaded sources: Profile v3(1).pptx, NED Academy Knowledge Base.pdf, ned_academy_faqs_tawk_import(1).csv, and latest UGD_FAQs.pptx for UGD v1.1 updates.
- Core public pages were spot-checked on 2026-07-07. UGD information in this v1.1 file is updated from the latest uploaded UGD_FAQs.pptx. If older uploaded knowledge or older public website fee text conflicts with this UGD v1.1 update, answer with caution and recommend NED Academy confirmation before payment/admission.
- Dynamic information such as current batch status, admissions open/closed status, live calendars, special-project batch lists, and course-specific flyer prices must be verified from the official website before final public answers.
- Where a fact is not present in uploaded knowledge or the official website, the GPT should say that the specific detail is not officially available in its sources and should route the user to NED Academy contact channels.

Contents

- 1. How the GPT should use this knowledge
- 2. NED Academy overview
- 3. Centres, facilities, and institutional capabilities
- 4. Programme families and stable programme map
- 5. Admissions, eligibility, and document workflows
- 6. Fees, payment, vouchers, and discounts
- 7. Policies: attendance, exams, refunds, certificates, records
- 8. PITP and funded-programme handling
- 9. PTMC and media-programme handling
- 10. Corporate training, partnerships, and customized training
- 11. Contact information and escalation rules
- 12. GPT retrieval glossary, synonyms, Roman Urdu phrases
- 13. Core answer bank by user intent
- 14. Official source URLs and maintenance notes

1. How the GPT should use this knowledge

- Treat this document as stable institutional knowledge for NED Academy. It is designed for Custom GPT retrieval, not as a public brochure.
- Use clear, official, helpful language. For Pakistani users, understand English, Urdu, and Roman Urdu questions. Reply in the user's language unless the user asks otherwise.
- Ask for the programme type if the user only says "fee", "admission", "course", "timing", "certificate", or "apply" without naming the programme.
- Never invent live batch availability, exact current flyer prices, admission open/closed status, or class timings. These are dynamic and must be verified from the official website or staff.

- When uploaded knowledge and official website conflict, prefer the official website for dynamic facts and say that the website appears to be more current.
- When a fact is not available, say: "I could not find this specific detail in the official knowledge available to me." Then share the relevant contact channel or ask a narrowing question.
- For high-stakes or edge-case questions such as refunds, disciplinary cases, withdrawal, eligibility exceptions, equivalency, and transcript disputes, provide only the published rule and recommend official confirmation.

Fact type	Best source priority	GPT behaviour
Evergreen profile facts	Master Knowledge Base + Profile	Answer directly and confidently.
Contact details and office hours	Official contact page first, then Master Knowledge	Answer directly; mention office hours.
Fees for UGD/PGD/PGCC	Official fee pages / PDFs first	Answer with programme type and datesensitive caution.
Upcoming programmes, timings, batch status	Official Upcoming Programmes page	Verify or say live status must be checked.
Refund/withdrawal edge cases	Published policy documents + staff handoff	Do not guess. Route to NED Academy contact.
Course recommendation	Knowledge + user profile questions	Counsel using qualification, level, subject, mode, and availability.

2. NED Academy overview

- NED Academy is the Training & Professional Development Wing of NED University of Engineering & Technology, Karachi.
- Its stated vision is "Grooming Professional Leaders for Tomorrow" and the Academy emphasizes professional excellence, continuous learning, and career advancement.
- The institution began in 1998 as the Centre for Continuing Engineering Education (CCEE) and was rebranded as NED Academy in 2008.
- The profile describes over 28 years of excellence in human capacity building and positions NED Academy as a platform for youth, students, working professionals, engineers, executives, and organizations.
- NED Academy supports both technical expertise and broader professional development, including techno-managerial skills, leadership qualities, soft skills, entrepreneurship, digital skills, and industry-focused training.
- The Academy contributes to socio-economic development by improving employability, supporting continuous professional capacity building, and engaging alumni/philanthropic partners for wider access and capacity-building initiatives.

Strategic objectives

- Update professionals with state-of-the-art developments in engineering, sciences, technology, management, leadership, digital skills, soft skills, CAD/CAE, languages, and entrepreneurship.
- Provide learning opportunities that improve career growth and make professionals globally competitive.
- Provide hands-on learning opportunities for vocational and technical training to improve employability and industry growth.
- Offer structured courses, certification programmes, international exam preparation, undergraduate and postgraduate diplomas, and market-oriented programmes for sustainable development of competitive human capital.

3. Centres, facilities, and institutional capabilities

Centre / Facility	Stable knowledge for GPT
Centre for Continuing Engineering Education (CCEE)	A key centre focused on continuous professional development through advanced learning, research, industry collaboration, engineering, management, IT, sciences, and professional courses/certifications.
Centre for Multidisciplinary Postgraduate Programmes (CMPP)	Supports executives, mid-career professionals, and early-career learners. Offers PGDs and PGCs across computing, engineering, engineering management, management sciences, textile/garment, sciences, linguistics, and English language teaching.
Pak-Turkiye Media Centre (PTMC)	A media education, training, research and production platform under NED Academy, supporting modern journalism, broadcasting, digital media and professional studio activities.

Advanced Cyber Security Lab	Mentioned in the Academy profile as part of academic and training facilities. Useful for cyber security and IT-related positioning.
AI & Software Innovation Lab	Mentioned in the Academy profile as part of academic and training facilities. Useful for AI/software training positioning.
Training room / lecture hall / seminar halls	Academy profile lists training room, lecture hall, seminar halls and classrooms as physical learning infrastructure.
Digital media / PTMC studio capabilities	PTMC supports studio recordings, interviews, webinars, online/distance-learning recordings and media-related professional activities.

4. Programme families and stable programme map

- NED Academy programme search and profile content cover multiple families: short courses, certifications, IT courses, English language and communication, international test preparation, PGCC, PGD, UGD, vocational trainings, foundation courses, youth-development programmes, career-preparation programmes, PITP and PTMC-related programmes.
- Programme lists, batch availability and exact course prices are dynamic. Use this section for stable category-level understanding; verify exact live courses from the website.

Programme family	Stable GPT explanation
Short courses / certifications	Focused training in technical, IT, managerial, leadership, soft skills, language, CAD/CAE, entrepreneurship, and industryspecific areas. Exact course availability changes by batch.
Undergraduate Diploma (UGD)	One-year undergraduate diploma track offered in hybrid, physical or online mode depending on batch/module. Latest UGD
	FAQ v1.1 states 6 courses of 3 credit hours each, total 18 credit hours; each course has 7 weeks of classes/42 hours plus 1 exam week. Programme offering may be weekend or evening. Eligibility includes Intermediate any group, A-Level, DAE, Bachelor's, Master's or higher.
Postgraduate Diploma (PGD)	Typically one-year postgraduate diploma track, publicly presented as 5 courses + project or 7 courses, with weekend/evening classes. Admission includes interview.
Postgraduate Certificate Courses (PGCC)	Four-month certification courses that may be creditable toward master's programmes as per rules and applicant eligibility.
IT and digital programmes	AI, data analytics, data science, software, cybersecurity, cloud, DevOps, IoT, game development, digital marketing, UI/UX and related areas.
Media / PTMC programmes	Film Production, Media Sciences, Digital Media Production and other media training/workshops under PTMC context.
Youth development / summer camps	Technology and creative exposure programmes for youth, including AI, Python, web design, animation, media, IoT, robotics, Power BI, arts, English and sports-oriented camps.
Corporate/customized training	Tailored training solutions for organizations, aligned with strategic objectives, industry needs and professional skill development.
Funded / special projects	Examples include PITP and other sponsored/collaborative programmes. Rules differ from standard paid programmes and must be checked separately.

Stable programme examples from the Academy profile

Area	Examples to help GPT understand user intent
UGD examples	AWS; Animation, Visual Effects & Multimedia; Computer Network & System Administration; Fashion Designing; Film Production; Food Sciences & Technology; Game Design & Development; Generative AI; Graphic Designing; Information Technology; Interior Design; Media Sciences; Photography & Videography; Refrigeration & Air Conditioning; Textile Science & Technology.
PGD examples	Software Engineering; Cloud Computing; Construction Management; Project Management; Data Science with Artificial Intelligence; Cyber Security; Blockchain Technology; Energy Management; Human Resource Management; Supply Chain Management; Total Quality Management; Occupational Health & Safety; Food Processing; Textile/Garment/Denim areas.

Certification / short course examples	Cyber Security Essentials; Data Analytics; Digital Marketing; Ethical Hacking; Power BI; ChatGPT for Effective Learning; Oracle DBA; Shopify and Meta Ads; Raspberry Pi and Python; Autodesk Revit MEP; SolidWorks; SPSS; IELTS; German Language; English Speaking.
Youth camp examples	AI for Beginners; Python Coding; Web Designing; Creative Design; Cartoon Animation; Short Film; Theatre Arts; Media Production; IoT; Generative AI; Textile Tech; UI/UX Figma; Robotics; Power BI; Data Analytics with Excel/Google Sheets.

5. Admissions, eligibility, and document workflows

Important: The GPT should ask for programme type before giving admissions instructions. UGD, PGD, PGCC, short courses, PITP and PTMC can have different forms and rules.

Programme type	Admission / registration workflow	Eligibility / documents
UGD	Latest UGD FAQ v1.1 workflow: fill the UGD registration form, pay the registration fee through fee voucher, submit photocopies of documents, then submit the course fee. Official form: https://pgadmissions.neduet.edu.pk/ccee/UGD.jsp	Latest UGD FAQ v1.1 eligibility: Intermediate any group, A-Level, DAE, Bachelor's, Master's or higher. Documents required: HSC/A-Level/DAE or equivalent certificate and transcript/marks sheet/grade sheet; SSC/O-Level or equivalent certificate and
		transcript/marks sheet/grade sheet; CNIC/Passport; 03 photographs.
PGD	Public workflow: registration form, registration fee, interview, then course fee submission.	Interview-time documents include bachelor's degree and transcript/marks sheet/grade sheet with HEC verification, HSC/A-Level/DAE or equivalent, SSC/OLevel or equivalent, CNIC/passport, and photographs.
PGCC	Public workflow: online registration, document upload, approval/email, then fee payment through provided PayPro voucher link.	Degree holders with minimum 2.4 CGPA or first division are eligible for examination/grade-sheet/master's pathways. Other backgrounds may have participation-only outcomes as per rules.
Short courses / certifications	Usually use a live certificate/registration form. Fee voucher is generally generated after registration. Registration may close when seats/batch are full.	Eligibility varies by course level. Ask for course name and check the exact page/flyer for prerequisites.
PITP / funded programmes	Follow the special-project page. PITP requires online registration and in-person visit to NED Academy for registration confirmation.	Rules differ by funded project; PITP public rules include one course per student and batch-specific status.

- Fee voucher rule: public fee-voucher guidance says voucher generation is available after the registration form has already been filled at admission time.
- PGCC payment caution: applicants should not pay before receiving approval/email and PayPro voucher details.
- For live forms, open/closed status, and exact course page links, the GPT should verify the official website or route the user to NED Academy support.

6. Fees, payment, vouchers, and discounts

Core UGD/PGD fee facts below were spot-checked against public fee pages on 2026-07-07. Fees can change for new batches; verify before final admission advice.

Fee area	Published stable/current public facts

UGD	Latest uploaded UGD FAQ v1.1 states: Registration Fee Rs.5,000 non-refundable. Investment for all modes (Online/Physical) is Rs.25,000 per course (Rs.12,500 per month). Total Rs.150,000. 15% discount on full/lump-sum payment. Note: older public website material may still show Rs.24,000 per course / Rs.144,000 total; use latest approved UGD FAQ if confirmed by NED Academy, and advise verification before payment.
PGD	Admission/registration: Rs.5,000 non-refundable. Learning investment: Rs.28,000 per course. Total: Rs.196,000 for 5 courses + project or 7 courses. Public page states 15% discount on full/lump-sum payment.
PGCC	Published fee PDF lists per-course fee slabs: MEng/MS/MArch/MURP courses Rs.18,400 weekdays and Rs.26,200 weekends; MEM courses Rs.20,600 weekdays and Rs.31,800 weekends. Verify latest PGCC fee PDF.
Short courses / certifications	Course-specific investment varies and may be shown on the programme page or flyer. Do not invent prices. If page says "check flyer", route user to exact course page/contact.
Re-examination	Latest uploaded UGD FAQ v1.1 mentions Rs.10,000 for final exam / I-grade. Earlier public UGD/PGD fee material also mentioned Rs.3,000 for mid-term re-examination and Rs.10,000 for final. If the question is about current payment, advise confirmation from NED Academy before paying.
Payment/voucher	Voucher generation typically requires prior registration. PGCC applicants should wait for approval/email before payment.

7. Policies: attendance, exams, refunds, certificates, records

Policy area	Stable answer rule
Attendance	Latest UGD FAQ v1.1 states a minimum of 75% attendance, equal to 11 classes, is mandatory for exam eligibility. Other programme types also use a 75% attendance threshold for exam or completion-certificate eligibility where stated.
Online class identity	Students in online classes should join using their proper registered name; otherwise attendance/participation may be blocked or not counted.
Exam fee timing	UGD FAQ guidance says fee cannot be paid on exam day or within one week before the exam. Apply carefully and verify for programme-specific cases.
Missed exam / re-exam	Latest UGD FAQ v1.1 states Rs.10,000 for final exam / I-grade. Earlier public material mentioned Rs.3,000 mid-term and Rs.10,000 final re-examination. Treat current payable amount as confirmation-needed if the latest official page and uploaded FAQ conflict.
Refunds	Registration/admission fees and formal programme investments are repeatedly marked non-refundable. Short-course/certificate instructions say no refund after session commencement. Edge cases require staff escalation.
Certificates	Completion/competence certificates depend on attendance, completion, examination and GPA/CGPA rules by programme type. Certificates are issued according to submitted form details.
PGD/PGC pathway	Public PGD FAQ states that successfully completed course(s) with required GPA/CGPA may lead to course competence certificates, PGC after qualifying courses, and PGD after required courses/project and CGPA threshold.
Records	Public fee pages mention bonafide letters, medium-of-instruction letters, certificates, transcripts, verification, duplicate issuance, scrutiny/reassessment and dispatch charges. Verify current charges before processing.

8. PITP and funded-programme handling

- PITP Phase II is publicly described as fully funded by the Government of Sindh.

- Public PITP information states one course per student.
- The PITP page says applicants must complete online registration and then visit NED Academy for registration confirmation.
- PITP awards a completion certificate from NED University and the Science & IT Department, Government of Sindh, according to public website text.
- Batch status, schedules and course seats are dynamic. The GPT should verify the current PITP page or route to the official PITP/WhatsApp channel before confirming availability.

9. PTMC and media-programme handling

- PTMC means Pak-Turkiye Media Centre at NED Academy.
- PTMC serves as a platform for media education, training and research; it supports journalism, broadcasting, digital media, interviews, webinars and online/distance-learning recording activities.
- Public PTMC page lists diploma offerings in Film Production, Media Sciences and Digital Media Production.
- PTMC has specialized email: ptmc@cloud.neduet.edu.pk. General NED Academy contact channels can also route PTMC matters.
- PTMC-specific fees and batch schedules should be verified from the live PTMC/programme page or flyer; do not assume they match all general UGD/PGD values unless the page explicitly says so.

10. Corporate training, partnerships, and customized training

- NED Academy provides adaptable and customized training solutions for organizations, aligned with strategic objectives, industry demands and global benchmarks.
- Corporate/customized training can cover technical, vocational, IT, engineering, managerial, leadership, soft skills, quality, safety, operations, maintenance, energy, construction, risk, textile, chemical, language and other areas.
- The public knowledge base names partners/collaborators such as PCSIR, PIQC, Lambda, CERM, UAS Global, Digitech Synergy, ICCD and FPAP.
- The public site does not publish a single standardized partnership proposal workflow. For serious partnership, sponsorship, customized-training or MoU enquiries, the GPT should collect basic context and route to official contact channels.

Corporate user question	GPT handling
Can you train our staff?	Yes, NED Academy offers customized/corporate training. Ask for topic, audience level, number of participants, preferred venue/mode, duration and desired outcomes. Then route to official contact.
What is the corporate fee?	If a public investment table applies, summarize it cautiously. Otherwise say pricing depends on scope, duration, participants and delivery mode, and route to official contact.
Can we sign an MoU?	Public site confirms collaboration activity but not a detailed MoU process. Route to NED Academy leadership/contact channels.

11. Contact information and escalation rules

Contact item	Official public detail
Address	NED ACADEMY, 2nd floor, Admin Building, NED University of Engineering & Technology, University Road, Karachi-75270, Pakistan.
Phone	021-99261287-90
Cell / WhatsApp	0314-2004528
General email	nedacademy@neduet.edu.pk
Mail/leadership email shown on contact page	dgacademy@neduet.edu.pk
PTMC email	ptmc@cloud.neduet.edu.pk
Office hours	**Office & Student Support Hours** • **Monday to Friday:** 8:30 AM – 4:30 PM • **Saturday & Sunday:** 9:00 AM – 9:00 PM **Note:** Weekend operations are primarily for scheduled classes, workshops, examinations, and student support activities. Availability of specific departments or staff may vary.

- For unanswered or edge-case questions, provide main contact channels and office hours.
- Do not expose internal assumptions. Keep handoff language professional and helpful.

12. GPT retrieval glossary, synonyms, Roman Urdu phrases

User may say	Treat as
admission, admissions, admision, addmission, apply, registration, form bharna	Admissions / how to apply intent
fee, fees, fess, payment, voucher, challan, PayPro, investment, qist, installment	Fees and payment intent
course, program, programme, diploma, certificate, training, workshop	Courses/programmes search intent
PGD, post graduate diploma, postgraduate diploma, graduate diploma	Postgraduate Diploma intent
UGD, undergraduate diploma, undergrad diploma, diploma after intermediate	Undergraduate Diploma intent
PGCC, postgraduate certificate, master credit course	Postgraduate Certificate Course intent
AI, artificial intelligence, generative AI, data science AI, machine learning	AI-related course counselling/search intent
cyber, cyber security, cybersecurity, ethical hacking, VAPT	Cybersecurity-related course counselling/search intent
timing, schedule, class kab, start date, batch, calendar	Schedule/calendar/live availability intent
certificate, transcript, degree, verification, duplicate, bonafide	Certificates and records intent
refund, withdrawal, cancel admission, fee wapas	Refund/withdrawal policy intent
PTMC, media center, film, media sciences, digital media	PTMC/media programmes intent
PITP, free course, funded course, Govt Sindh IT programme	PITP/funded programme intent
Roman Urdu sample	**Recommended behaviour**
PGD ki fee kitni hai?	Answer PGD fee with non-refundable registration, per-course fee, total and discount. Add verification caution.
Admission kaise lena hai?	Ask programme type or give overview of UGD/PGD/PGCC/short course workflows.
Kya classes online hain?	Say NED Academy has physical and online/hybrid options where offered; ask for course name and verify page.
Mujhe AI course chahiye.	Counsel: qualification, current status, desired level, online/oncampus preference, timing; then suggest relevant AI pathways.
Course open hai?	Dynamic/live status. Verify official page or ask user to check live website/contact.
Mera voucher nahi ban raha.	Troubleshoot registration completion and open status; then route to contact.

13. Core answer bank by user intent

Intent	Canonical answer pattern	Follow-up prompt
courses_programmes_search	NED Academy offers short courses, certifications, IT courses, English language, international test prep, PGCC, PGD, UGD, vocational, foundation, youth, career-prep, PITP and PTMC-related programmes. Exact live listings change.	Which category or subject are you interested in?
admissions_how_to_apply	The application flow depends on programme type. UGD: registration form, fee, documents, course fee. PGD: registration, fee, interview, course fee. PGCC: registration, approval, voucher/payment.	Are you applying for UGD, PGD, PGCC, short course/certification, PITP or PTMC?
fees_and_discounts	UGD v1.1 fee: Rs.5,000 registration, Rs.25,000 per course, total Rs.150,000, 15% lump-sum discount; PGD public fee is known; PGCC has separate slabs; shortcourse fees are course-specific. Do not invent prices.	Which programme/course fee do you need?
voucher_and_payment	Voucher is generated after registration. PGCC payment should wait for approval/email and PayPro voucher link.	Have you already submitted the registration form?

schedule_and_calendar	Schedules are dynamic. Use Upcoming Programmes for short courses/certifications and separate calendars for UGD/PGD.	Which course or programme calendar are you asking about?
attendance_exam_rules	UGD v1.1: 75% attendance / 11 classes; online name must match official documents; missed final/I-grade fee Rs.10,000; confirm current mid-term reexam fee if asked.	Is this for UGD, PGD, PGCC or a short course?
certificates_records_verification	Certificates/records depend on programme type, completion, attendance/exam results and published charges.	Do you need completion certificate, transcript, duplicate, verification or bonafide letter?
refund_cancellation_withdrawal	Registration/admission fees and formal programme investments are nonrefundable; short courses state no refund after commencement. Edge cases need staff confirmation.	Which programme and what stage are you at?
contact_location_office_hours	Give address, phone, WhatsApp/cell, email and office hours.	Do you need general contact or PTMCspecific contact?
corporate_training	Acknowledge customized training capability; ask for organization, participants, topic, duration, delivery mode, and route to official contact.	Is this for staff training, partnership, sponsorship or MoU?

14. Official source URLs and maintenance notes

- https://academy.neduet.edu.pk/
- https://academy.neduet.edu.pk/about
- https://academy.neduet.edu.pk/contact-us

Maintenance rules

- Review dynamic content weekly during active admissions and monthly otherwise.
- Whenever fees, calendar, policy or contact channels change, update the Master Knowledge file and FAQ CSV together.
- Use version names such as v1.0, v1.1, v2.0. Remove old files from Custom GPT Knowledge before uploading replacements to reduce conflicting answers.
- Keep public-facing knowledge separate from internal SOPs if the GPT will be shared publicly.
- For live website verification, instruct the GPT to prioritize official NED Academy pages over static uploaded content.

17. UGD FAQ Update - Version 1.1

Source status: This section is based on the uploaded file UGD_FAQs.pptx provided for updating the NED Academy GPT knowledge base on 2026-07-07. It supersedes older UGD statements in this uploaded knowledge pack where a direct conflict exists, subject to NED Academy approval.

UGD facts to prioritize from v1.1

Area	Latest UGD FAQ v1.1 information
Mode / title	One Year Undergraduate Diploma Programmes. One Year (Hybrid / Physical / Online Classes). 6 courses; 7 weeks per course. Some individual class sessions or complete course modules may be offered online.
Detailed flyers	https://academy.neduet.edu.pk/undergraduate-diplomaprogrammes
Eligibility	Admissions open for candidates with Intermediate any group, ALevel, DAE, Bachelor's, Master's or higher.
Admission procedure	Fill Registration Form -> Pay Registration Fee -> Photocopies of Document Submission -> Course Fee Submission. Registration form: https://pgadmissions.neduet.edu.pk/ccee/UGD.jsp. Fee voucher: https://pgadmissions.neduet.edu.pk/ccee/FeeVoucher.jsp
Fee structure	Registration Fee Rs.5,000 non-refundable. Investment for all modes (Online/Physical) Rs.25,000 per course (Rs.12,500 per month). Total Rs.150,000. 15% discount on full/lump-sum payment.
Documents required	HSC/A-Level/DAE or equivalent certificate and transcript/marks sheet/grade sheet; SSC/O-Level or equivalent certificate and transcript/marks sheet/grade sheet; CNIC/Passport; 03 photographs.
Structure	Total duration 12 months/1 year. UGD may be obtained in minimum 1 year or maximum 3 years with breaks. 6 courses of 3 credit hours each. Total 18 credit hours. Each course: 7 weeks classes/42 hours + 1 exam week. 3-hour examination for each course. Programme offering: weekend or evening.
Attendance	Minimum 75% attendance, equal to 11 classes, is mandatory for exam eligibility.
Fee on exam day	Students who have not submitted fees will not be allowed to attend classes or exams. No fee payments will be accepted on the day of the exam or one week before.
Online class identity	Join online class using official name as per documents; otherwise attendance may not be allowed/counted and the student may be marked absent.
Missed final / I-grade	Fee of Rs.10,000 for final exam / I-grade. Confirm latest payable charges before payment.
Class timings	Class timings may vary from module to module.
Contact in UGD FAQ	Email nedacademy@neduet.edu.pk; Cell/WhatsApp +92-3142004528; Phone +92-21-99261289 | +92-21-99261290.

Conflict handling for GPT

- If older uploaded knowledge says UGD fee is Rs.24,000 per course / Rs.144,000 total, replace it with the v1.1 UGD FAQ value: Rs.25,000 per course / Rs.150,000 total, once approved by NED Academy.
- If older uploaded knowledge describes UGD as 6 courses plus project, replace it with v1.1 structure: 6 courses of 3 credit hours each, total 18 credit hours. No UGD project should be stated unless a specific current UGD page/flyer confirms it.
- If website and uploaded UGD FAQ conflict, answer with caution: the latest uploaded UGD FAQ states the newer value, but the student should verify with NED Academy before payment/admission.
- Do not remove PGD project wording; the UGD change applies only to UGD.

NED Academy GPT Master Knowledge Base - v1.2 Addendum

Generated for Custom GPT knowledge use | Addendum date: 2026-07-08

15. Source Index and Daily Update Method

This v1.2 addendum preserves all v1.1 content and incorporates the new official-source index supplied in Book1.xlsx. The new source index should be maintained separately so that links, calendars, social channels and contact information can be updated without rewriting the whole Master Knowledge file.

Recommended source priority for Custom GPT answers: 1) Dynamic Updates, 2) Official NED Academy website/current source pages, 3) FAQ CSV, 4) Master Knowledge stable content. For fees, admissions open/closed status, calendars, course timings and batch availability, the GPT should verify official/current sources before giving final public answers.

Source / Detail	URL or Value	GPT Handling
Team of NED Academy	https://academy.neduet.edu.pk/team-academy	Use for public team information; verify before naming current staff.
Facilities	https://academy.neduet.edu.pk/our-facilities	Use for current facility details.
Upcoming Courses	https://academy.neduet.edu.pk/Upcoming-Programmes	Very high priority for live availability, timing and batch status.
PGD Calendar	https://academy.neduet.edu.pk/sites/default/files/pgd/notificaitons/PGD-Calendar-2026_0.pdf	Dynamic; verify latest website calendar before advice.
UGD Calendar	https://academy.neduet.edu.pk/sites/default/files/ugd/notificaitons/UGD-Yearly-Calender-25-26.pdf	Dynamic; verify latest website calendar before advice.
Facebook	https://www.facebook.com/neduet.academy/	Supporting social source; do not override official website for fees/admissions.
Instagram	https://www.instagram.com/neduet.academy?igsh=dW9lOTNnaDY2dGxv	Supporting social source.
LinkedIn	https://www.linkedin.com/company/nedacademy/	Useful for corporate/public updates.
YouTube	https://www.youtube.com/@nedacademy	Useful for media/videos.
X / Twitter	https://twitter.com/ned_academy	Supporting social source.
TikTok	https://www.tiktok.com/@neduet.academy?_t=8lYB07tGM4m&_r=1	Supporting social source.
Threads	https://www.threads.net/@neduet.academy	Supporting social source.
WhatsApp Channel	https://whatsapp.com/channel/0029VaOuiwi2JI8L00YadZ2j	Public channel link; for direct support use WhatsApp/cell number.

Address	NED ACADEMY, 2nd floor, Admin Building, NED University of Engineering & Technology, University Road, Karachi-75270, Pakistan.	Answer directly unless official contact page changes.
Phone	0092-21-99261287-90 (4 lines)	Answer directly; verify periodically.
Email	nedacademy@neduet.edu.pk	Answer directly; verify periodically.
WhatsApp / Cell	0092-314-2004528	Answer directly; verify periodically.
Map Location	https://maps.app.goo.gl/M8DRbakzjHnzRtMC9	Share when user asks for location/map.

16. File Maintenance Model for Daily Updates

File	Purpose	Update frequency	Use
Master Knowledge PDF	Stable institutional knowledge, policies, programme families, routing rules and contacts.	Monthly or when stable facts change.	Do not place daily temporary events here unless they become stable.
FAQ CSV	Structured quick answers for common questions in English, Roman Urdu and Urdu.	Daily/weekly as new common questions appear.	Keep answers short and official.
Source Index XLSX	Official links, social channels, contact details, review dates and source priority.	Whenever a link/source changes.	Use as internal maintenance tracker.
Dynamic Updates file	Current admissions, courses, events, workshops, schedules and temporary notices.	Daily during campaigns.	This should override older uploaded files for live facts.

Daily workflow:

- Add new information first in the Daily_Update_Log sheet of the Source Index workbook.
- If the update is temporary or current, add it to a Dynamic Updates file rather than the stable Master Knowledge PDF.
- If users repeatedly ask the same question, add one row to the FAQ CSV.
- If a new official source/link is introduced, update the Source Index workbook.
- Before uploading replacements to Custom GPT, remove older versions to reduce conflicting answers.
